

A partnership between  Queens Cross Housing Association +  Maryhill HOUSING

A GUIDE FOR APPLICANTS

Find My Home is Queens Cross Housing Association and Maryhill Housing Association's online lettings service.

This guide explains everything you need to know about applying for a home with us using the **FindMyHome.org.uk** website.

COMPLETING AN APPLICATION FORM

To apply for properties with Queens Cross or Maryhill housing associations, you'll need to complete an application form.

To do this, visit **findmyhome.org.uk** and click on the 'Register' button.

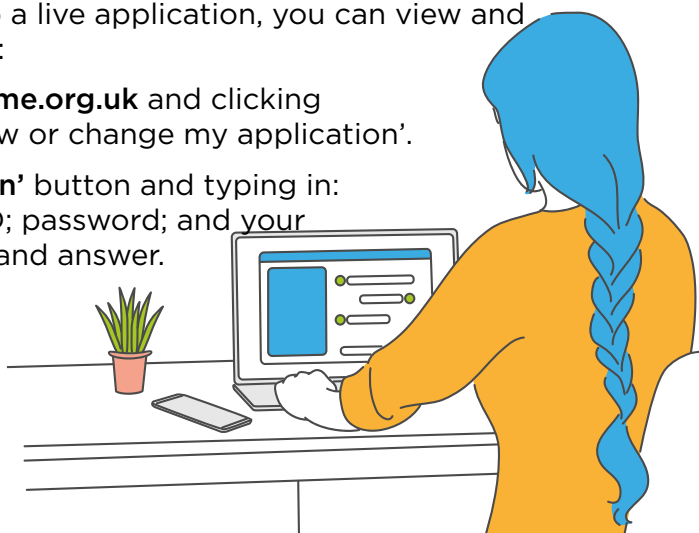

You'll then be asked some questions about your household and circumstances, including your address history for the past three years. This will help us determine your housing priority band which will mean you can start bidding for properties.

If you need help completing the application form, you can email us at **contactus@findmyhome.org.uk** or you can call Queens Cross Housing Association on **0808 143 2002** or Maryhill Housing on **0141 946 2466**.

VIEWING AND UPDATING YOUR APPLICATION

Once you have set up a live application, you can view and update it any time by:

1. Visiting **findmyhome.org.uk** and clicking on 'Login in to view or change my application'.
2. Clicking the '**Log In**' button and typing in: your Household ID; password; and your security question and answer.

When you have logged in, you will see this screen:

The screenshot shows the 'Find My Home Housing Application' dashboard. At the top left is the 'Find My Home' logo. To its right is an orange header bar with a 'Select Language' dropdown menu. Below the header, the title 'Find My Home Housing Application' is displayed. Underneath the title are three orange buttons: 'My documents', 'My messages (0)', and 'My letters (0)'. Below these buttons is a table with four columns: 'Name', 'National insurance number', 'Date of birth', and 'Relationship'. The first row of data shows 'Mr Joe Bloggs', an empty field for the national insurance number, '01/05/1980', and an empty field for the relationship. Below this table is a section titled 'Housing Register' which contains another table with eight columns: 'Application ID', 'Start date', 'Date of submission', 'Current status', 'Continue my application', 'Change of circumstance', 'Update contact information', and 'Download'. The first row of data in this table shows '37689772', '23/05/2024', '23/05/2024', 'Live(REG)', 'N/A', a link 'Report a change of circumstances', a link 'Update contact information', and a link 'Download application answers as a PDF'. At the bottom left of the dashboard is an orange 'Logout' button.

Logout

This allows you to:

1. Upload a document to your application and view any documents already uploaded.
2. Send us a message and view any messages sent previously. If we have sent you a message you will see an icon which indicates this.
3. View a copy of any letters we have sent to you about your application.
4. Update your phone numbers or email address.
5. Report a change of circumstances (if you need to update more than just your phone number or email address). When you do this, your application will be suspended temporarily to let us update your application.
6. Download a copy of your application form.

MAKING AND MANAGING BIDS

Once you have registered with us, you can place bids for properties. Our available properties will be advertised and updated every week on Wednesday at 12 noon.

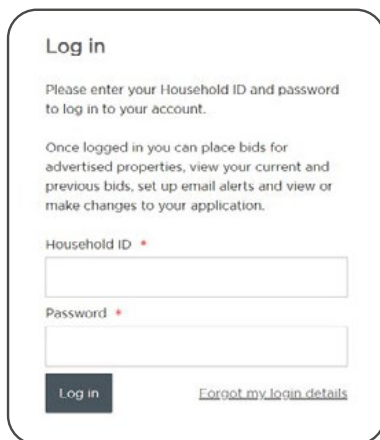

To view available properties, click on the **‘Property Search’** button on the home page.

There are two ways to view properties:

1. **If you don’t log in**, you will see all of the property adverts that we are running at that time.
2. **If you log in**, you will see properties that have the number of bedrooms that you need.

Click on the **‘Log in to bid’** tab on the home page to place and manage bids on properties.

You will see the following screen:

A screenshot of a web page titled "Log in". The page has a light gray background. At the top, the title "Log in" is in a bold, dark gray font. Below the title, there is a paragraph of text: "Please enter your Household ID and password to log in to your account." followed by another paragraph: "Once logged in you can place bids for advertised properties, view your current and previous bids, set up email alerts and view or make changes to your application." Below the text, there are two input fields. The first is labeled "Household ID *" and the second is labeled "Password *". Both labels are in a small, dark gray font. Below the password field, there is a dark gray button with the text "Log in" in white. To the right of the button, there is a link that says "Forgot my login details" in a small, dark gray font.

Enter your Household ID and Password.

When you have logged in, click **‘Go to my account’** which will take you to the ‘My Account’ section which contains lots of useful information and features which allow you to view and manage your bids.

MY ACCOUNT

This gives you information about your application including the status of your application, how many bedrooms you're entitled to, your priority band, your category code and the properties you can bid for.

MY CURRENT BIDS

This page shows a list of your current bids. You'll be able to view the properties you've bid for, the closing date for each advert, the total number of bids received and your current bid position.

The number of bids received and your bid position may change while the advert is running.

MY PREVIOUS BIDS

This page shows your previous bids and the current status of those bids.

WHAT ARE MY CHANCES

This page tells you about the properties advertised on Find My Home in the last three months, along with the priority band and band start date of the successful applicant.

This gives you information on certain properties' popularity and will help you to assess your chance of being offered a similar property.

PROPERTY ALERTS

If you don't want to check Find My Home for properties every week, you could choose to set up property alerts. This means you'll receive an email from us when an advertised property meets your search criteria.

There are two ways to set up property alerts:

1. **Search by postcode** - this allows you to enter a postcode and set a search radius. You'll receive an alert when a property is being advertised within that search radius.
2. **Search by area** - this allows you to choose the areas you're interested in from our list of neighbourhoods.

You can also record if you're interested in properties with accessibility features, such as wheelchair accessible properties or a property on the ground floor.

SEE ALL PROPERTIES

This page will show you all of the current properties you can bid for.

If you see a property you are interested in, click the **'Full property detail'** button to see more information about the property. Then follow the steps to place a bid.
