

ROLES AND RESPONSIBILITIES	
	Each Community Involvement Group will:
	<ul style="list-style-type: none"> a) Represent and engage local people to allow them to influence decisions that are made about their community. b) Listen to a range views from local people that are taken into account when making decisions. c) Promote a sense of community, where neighbours can get to know each other. d) Welcome and celebrate diversity in the community to improve communication, broaden participation, knowledge and dialogue.
	<ul style="list-style-type: none"> e) Develop an Action Plan based on the themes in the Association's Business Plan and supporting; <ul style="list-style-type: none"> • A wide range of community activities that bring people together and where new skills can be learned. • Local projects that improve quality of life for local people • A neighbourhood that looks good, is clean and tidy and has green spaces for local people to enjoy. • Partnerships with the police, fire and rescue services and Glasgow City Council to create safe and vibrant communities.
	<ul style="list-style-type: none"> f) Agree outcomes for each Action which identify "what would success look like" and "how will we know when we have achieved it" g) Identify the budget required to deliver the actions within the Action Plan including those which will require ongoing maintenance and support over a number of financial years. h) Monitor, review and refresh the Action Plan against targets and budgets at every meeting. i) With staff, review the neighbourhood (for example during walkabouts), identify actions that could improve the area and make recommendations to the Community Involvement Group for consideration.
	<ul style="list-style-type: none"> j) Work with the Association to improve and expand the role of QCHA community facilities in the Neighbourhood.
	<ul style="list-style-type: none"> k) Be consulted on: <ol style="list-style-type: none"> 1. Priorities for local investment and major repair programmes, within the context of QCHA's Asset Management Strategy and Investment Programmes. 2. Decisions to develop new homes within the Neighbourhood, including new residential support services 3. Any other policies or strategies as determined by the Board of Management
